Implementing principles to cut costs and increase efficiencies.

22 WorldSkills Competition results:
Canada's medal rankings wow the world.

PROFILES:

18 Member: Monarch Fabricating and Die Casters Limited

19 Associate Member: Sorel Forge

Mission Statement

The mission of the CDCA is to assist and represent Canadian Die Casters in dealing with government and other interested parties on industry specific issues. The Association will communicate information to the industry, which will assist its members in strengthening their own competitive position, thus ensuring a strong Canadian die casting industry.
